

Family Healing Prayer

Divine Spirit

I come before you just as I am.

Sometimes I question why things have happened to me and my family.

There are times when I look at my life and wonder what went wrong or wonder why something went right.

My family, my community, my country, are all in need of healing and unconditional love.

The blood of all of my ancestors is in me. I pray for all of my relatives, living and dead going back to the beginning of our family tree. I pray for the family of man.

Today I stand in for the rest of my family and ask for your help in removing any generational curses or negative karma from our family tree.

I pray that every negative action taken by any of us or against any of us is dissolved forever with pure unconditional love. My family may have said or done things that were not in their own interests and harmed other people.

If members of my family have harmed anyone in thought, words and deeds or if they have failed to do what is good or right, I regret that. I cannot impose my will over them and say that they are sorry, only that I am sorry, because I and other members of my family may still suffer the consequences of their actions.

I sever any negative karmic connections to my family tree, I cancel out any vows, spells, curses, contracts, vendettas, pledges, commitments or oaths taken by anyone in my bloodline. I resolve in my forebear's name to surrender to you any conflicts, unlawfulness, immoral or illegal acts.

I sever our family connection to any deeds that were done against our fellow man- no matter how legitimate they may have seemed at the time.

Please heal any negative effects that have been transmitted through past generations and prevent such negative effects in future generations of my family tree.

I desire that all in my family be surrounded with unconditional love, good health, and good lives.

-Amen
