

Prayer for the healer

God, thank you for sharing with me your wonderful ministry of healing and deliverance. Thank you for the healing I have experienced today. I realize that the sickness of evil is more than my humanity can bear, so I ask that you please cleanse me of any sadness and negative thinking or despair that I may have picked up during my intercession for others.

If my ministry has tempted me to anger, impatience or lust, cleanse me of those temptations and replace them with love, joy and peace. If any evil spirits have attached themselves or oppressed me in any way, I command you to depart from me now and send you straight to God, for him to deal with as he wills.

Come Holy Spirit, renew me, fill me anew with your power, your life and your joy. Strengthen me where I feel weak and cloth me with your Light. God please send your Holy Angels to minister to me and protect me from all forms of sickness, harm and accidents. I thank you God!
